

**Welcome to Trinity Community Church
In-Person and Online Worship Service
May 16, 2021, 10 am**

WELCOME TO WORSHIP!

It is a joy to have you joining us whether you are with us in person or online. The CDC just announced this week that people who have been fully vaccinated do not need to wear masks or social distance indoors, but also suggests that people who have not been vaccinated to continue to wear a mask and social distance themselves from those not living in your own household. We are not going to be policing this new guideline but trust that each of you will comply to protect and honor one another. If you are sick, please do not join us in person. We will continue to have hand sanitizer available for everyone's use and encourage its use to protect others from unnecessary transmission of any communicable diseases or health issues.
